

Sisters of the Spirit

RE: "Girls Day Out" Permission Slip

Hello Parents,

It's that time again, where your child will spend the weekend with Sisters of the Spirit Executive Director Mrs. Cynthia Green, and ten other volunteers of this great organization. Your daughter, along with 24 other princesses will do 'girl things' like exercise, play games, go out on the town, swim, get pampered like a princess, learn etiquettes, and attend church. Our trained youth counselors and facilitators will talk to the girls about peer pressure, self-esteem, and hygiene. Please be advised and available in case your child is disciplined, we will contact you to come pick-up your daughter for inappropriate behavior.

Please read and fill out (both) the permission slip and photo release forms – **(1 CHILD PER FORM)** and sign and mail both copies to us no later than deadline June 30th. Please keep a copy for your records. Registration is from June 1st – 30th. **The first 25 girls will be accepted** – first come-first serve for those received and complete the registration forms by the post-mark date.

There is no cost, so please do not send any money with her. Please make sure she has two sets of clothes as one for exercise, swimming suit, and personal hygiene products.

Visit our website as we look for you mothers to attend our highly anticipated Sisters of the Spirit Women's Conference on October 7 – 8, 2011. We pray you are able to join us and are highly favored in the Lord.

~~~~~
